

2nd Annual Rod Kirby Memorial Classic - Information Sheet

Saturday May 26th, 2018

Rolling Green Fairways Golf Course

Background

The day is planned as a memorial first, golfing second and fundraiser third.

The fundraiser is to support Lloydminster Minor Football Operations, Facilities at Rod Kirby Field and Rod's Scholarship Fund that is administered by LMFA. As you probably know, Rod was a major contributor to LMFA and we want his legacy to continue. Rod and LMFA have made huge contributions to the sport of football in and around our community and have not only put Lloydminster on the map as a football mecca but has allowed many individuals to pursue their dreams of playing the sport at a higher level. Monies raised from the golf tournaments go towards this legacy.

Format for the day

11:30 am – golf registration

12:30 pm – shotgun start for golfers

5:00 pm – social/sharing/storytelling

6:00 pm – banquet and program – silent auction to follow

Spouses / partners are most welcome and encouraged to attend.

It would be great to have a big turnout and relive our fond memories of Rod as a coach, mentor, community leader and family man.

Last year was a huge success with even more planned for this year. We hope to be adding shuttle service home from the course and even better silent auction items, including a Vegas Golden Knights jersey signed by the entire team. Please book early as last year was sold out and we had to turn some people away.
